

National Indicators: Measuring Success
Cross Committee Program Meetings
August 24, 2011

Facilitator: Scott Cummings

Action Plan

Identified Projects: Identify programs or issues that can be collaborated on in our region

States' Committed to Collaboration and Participation: All possible

Goals: In progress

Objectives: In progress

Next Steps:

Each committee will use various sources of data to identify programs/issues that can be collaborated on in the region. Target deadline for submission of these items is around Nov. 1, 2011. Each committee was asked to place this item on the Plan of Work.
