

Obesity: Where do we go from here?

Cross Committee Program Meetings

August 24, 2011

Facilitator: Dr. Kris Grimes

Action Plan

Identified Projects: Healthy Lifestyles Program Matrix

States' Committed to Collaboration and Participation: Kentucky, West Virginia, Virginia

Goals: To provide a resource for nutrition educators that lists curriculum, educational gaming, and strategies for built environments that meet major nutrition and fitness indicators.

Objectives: Develop an online matrix that will correlate specific resources to nutrition indicators, age group, year developed and target program.

Next Steps:

1. Among participating states, develop format and determine hosting site.
2. Request information from states.
