1. *Roll Call*: Meeting began at 11AM EST

2. Sam Boyster discussed meeting agenda and engaging our 1862 and 1890 advisors for upcoming meetings

3. *PLC Representative Report* - Lalit Rainey reported the committee will have its first teleconference next Thursday October 18, 2012. The PLC committee will meet in Atlanta December 4-6.

4. *Old Business* - Rich Phelps has reached out to both Dr. Craig Wood and Jason Young with eXtension concerning the action items from Orlando. Rich suggested that we invite Dr. Craig Wood to our February 7, 2013 teleconference to give an IT update(*Dr. Wood accepted invitation*). The other item was mobile apps and sharing code within land grant institutions facilitated via eXtension. Rich will contact Jason Young to set up a meeting with PLN group. Rich mentioned the NETC committee has not met since New Orleans.

5. *Plan of Work Update*– Social media guidelines - In conjunction with the Communication Committee, create general social media guidelines for use in the Southern Region. Since the August meeting the material from PSD was sent out to listserve. eXtension wiki material http://collaborate.extension.org/wiki/Social_Media_Guidelines_Planning. Huge amount of information already out on wiki. Sam, proposed we look at the material on the wiki and evaluate the content needs to be pulled down or relevant. The committee agreed to look at content and refresh information for our next meeting in February 2013.

Promoting eXtension conference - Go to https://learn.extension.org/events/recent_and look for the Conference Session tag to view sessions from Oklahoma City.
