## **Definitions**

**1862 Land-grant Institutions** – the original colleges established under the Morrill Act of 1862. There are 58 1862 institutions located in the 50 states, the District of Columbia, and the 8 insular areas.

**1890 Land-grant Institutions** – the Historically Black Colleges and Universities (HBCUs) were established from the Morrill Act of 1890 in states unwilling to allow people of color to attend the 1862 land-grant institutions. There are 19 HBCUs.

**1994 Land-grant Institutions** – the Tribal Colleges and Universities (TCUs) were established through the Equity in Educational Land-Grant Status Act of 1994. There are 35 1994 land-grant institutions.

**National Sea Grant College Program** -- was established by the U.S. Congress in 1966 and works to create and maintain a healthy coastal environment and economy. The Sea Grant network consists of a federal/university partnership between the National Oceanic and Atmospheric Administration ([NOAA](https://www.noaa.gov/)) and 34 university-based programs in every coastal and Great Lakes state, Puerto Rico, and Guam.
