

Minutes from previous meeting are approved.

SRDC is working to get in compliance with recent federal changes. They recently held an ethics workshop with the Federal Reserve Bank of Atlanta on heirs property.

Three of the Regional Rural Development Centers partnered on a joint survey project, and the data are being made available to research and Extension professionals. We are doing a webinar about the project next week.

[Meeting Registration - Zoom](#)

SRDC has had three funds suspended. They are anticipating baseline funding to continue. SRDC has recently been to Washington to report on program success.

Submissions for newsletters can be sent to Carmen.

Indicators are being collected and 30 indicators can be report on in this year, which is considered a pilot year for this process.

A grant was approved to support CD 101.

CRD PLN CD 101

1. Team of national CD Extension professionals through SRDC are working Collaboratively to deliver a CD 101 curriculum at NACDEP in June and the community development society in July
2. Timeline:
 - a. April May 2025: slides preparation for CDS and NACDEP
 - b. June-July: CD 101 delivery to NACDEP and CDS

- c. August-December 2025: Curriculum delivery and evaluation of CD 101 presentations
-
- 3. Our Shared work is funded through a grant NCHEMS from March-December 2025. Goal of the grant is to explore how extension can be a leader in workforce and community Development. Grace and Sreedhar attended a meeting with fellow NCHEMS grantees April 2025
