Attendees: Robinson, Upendram, Seals, Klose, Ramos, Bond, Tyler-MacKenley, Jakes, Holmes, Stokes, Rocker, Rendleman, Rocker, Goodman, Green, Wilcox, Welborn, Scammahorn, McCullough, Hodges, Kahl, Davis and Walker.

I. Opening Business

Susan Jakes

a. Welcome

Dr. Allen is on maternity leave, so Jakes presided in her absence. The meeting began at 2:05PM (EST)/1:05PM (CST). Unfortunately, she reported that she did not receive any materials for distribution.

b. Review and Approval of Minutes

McCullough made a motion to accept the Minutes. Seals second the motion.

II. Administrative Advisor Updates

a. AEA

Kimberly Holmes

- 1. Held their joint (AEA/Association with Research Directors) annual Winter meeting in Nashville,TN
- 2. Possible Use of Artificial Intelligence in Extension programs.
- 3. USDA and NIFA Updates.
- 4. Standardize performance reporting on key optimal program indicators among 1890 institutions and annual group reporting. Report to designated Advisory Committee.
- 5. Feel free to contact Holmes if you have any questions or concerns.
- 6. Monthly 1890 Newsletter/contributors on campus. In honor of Black History Month, will feature the transformative impact of Women of Color in Extension and Agriculture.
- 7. Accepting application for Excellence in Extension Award beginning 2/14/24 until 5/1/24 at least one Program Area per Institution.

III. ASRED

Ashley Stokes

1. Stokes was absent, but Justin gave a report in her absence.

NIFA Update

Sarah Rocker

- 1. Talked about Inter-agency and Local/Regional Foods System. She thanked all those who shared the info with stakeholders.
- 2. Partnership with Forest Services around community development. Identify rural communities for planning and funding. In Spring (Mar/April), they plan to distribute applications and in the Summer decide final candidates. RERC 3rd round of funding for 25 new rural communities.

3. She mentioned that there was a soft launch of the new publication, which they've been working on over the past 2 years. She stated that it is a 58 page pdf. It was funded by the USDA in partnership with the Forest Department. They want to pilot it with 25 new rural communities and are asking land grant universities to identify some communities between March and April. A selection will be made in the Summer of 2024. RERC will be applying for a third round of funding.

IV. NACDEP Update Hunter Goodman

- 1. Remind NACDEP Award Deadline is February 15, 2024.
- 2. NACDEP Conference is scheduled for 6/17/24 6/20/24 in Houston, TX.
- NACDEP Board Meeting Scholarships for 1890 to attend conference is still being worked on by host committee. She solicited questions or concerns for committee. NACDEP issues need to be lifted up and addressed by the committee.
- 4. Mackenzie mentioned Trailblazing with a lead host is an 1890 Institution.
- 5. A planned letter to go to your administrators. Dr. Karen Williams will draft letter, which will go out to 1890 Administrators. Thank you to RRDC ongoing support and sponsorships. Dr. Williams will have to be careful how she crafts this letter, since no institutions are able to contribute.
- 6. Wilborn announced that the Career Awards/NACDEP Awards will be given out during the Conference. They will continue their work with the Program Leaders.

V. PLC Committee Update Adam Hodges & Dan Kahl

1. No update, since their Committee isn't scheduled to meet until the next day.
