### **Meeting in session 2:01 pm**

NEAFCS Recap – NEAFCS was Sept 14-17 at Snowbird Resort, UT

- NIFA – Caroline will represent us with Brent Elrod – invite Brent Elrod to next meeting
- Applications being accepted for NIFA
- Feedback on letter
  - Director Angle – letter saying importance of interagency work
- Strengths and opportunities with Ed Jones and Mike Gutter
- Health Collaboration
  - Jorge and Roberta – Rural prosperity – what's Extension's role?
  - Action item: Send a presentation to Ron Brown (Executive Director of SR of Extension Directors) that discusses rural prosperity and the role of SR/PLN FCS

Plan of Work –

- Success = meeting attendance
- Seek opportunities to share your success stories to NIFA
- Jackie White: Mapping for FCS
  - County capacity faculty
  - Health science opportunities
  - Cancer prevention programs
  - What do we want to do with the maps now?
    - Jorge – potentially find funding then ID capacity to address
    - Previous findings from mapping?
      - DM versus nutrition versus health
      - EFNEP/SNAP-Ed
      - Parenting programs
      - Categorized by zip code
      - Helps identify how Extension covers and counties and to what capacity

- Within each state, what are people spending time on (i.e. 50% of education was 1 on 1 versus group)
  - Can nationals help us map counties – can help us argue for getting more resources in those counties

Call for topic content: what are emerging program issues

- As issues come up in states, problem-solving around these as a committee/community should take place

Jackie White: encourages people to be a part of NIFA review panels

Action item: submit themed blogs and success stories to Parisi – do we have HASHTAGS for programs? – National Extension Impact Data Base is encouraging states to submit these

Heirs property updates? None identified

Economic mobility: inventory of existing programs, collaborative efforts, and opportunities for future collaboration in areas of entrepreneur development, workforce development and build environment – who is the university contact for this?

- Assume it is you if there is no one named

PLC updates

- Do you like the field trips – yes
- Quarterly conference calls/meeting schedule
  - Nov.6, 2019 – conference call
  - Feb.18-21, 2020 – BoHS/CAFCS in Kansas City
